

3. HEY DEATH

(Verse 1)

Hey death, where is your sting?
I think you did your best to kill my king
And I guess you thought, you thought of everything
But He wouldn't bend, and kiss your dead ring

(Chorus)

So don't try to sell me your lies, of fear from my demise
'Cause I've been caught in a flood where mercy spilled out in blood
You saw the lamb being slain, the cross, the nails, the pain
Through faith it's life that I gain, and you can't take that from me

(Verse 2)

Hey death where is your sting?
You tried to seal these lips but my heart still sings
Your knife it cuts to the bone
But I've got some news for you, this is not my home
