

### **3. LOST IN EGYPT**

Verse 1

I'm lost in Egypt  
A slave to my own sin  
Can't find my way out  
Don't know where to begin

Verse 2

My eyes see trouble  
Off in the distance  
The fate of my future  
God only knows

Chorus

I'm lost in Egypt  
Sinking in a desert sand  
Lost in Egypt  
Lord will you take my hand

Verse 3

I must turn quickly  
No time to hesitate  
I long for safety  
Across the red sea

Bridge

I want to know the reason  
Why would a King become a man  
To lead us out of the desert land
